**ROTATHENE®  
SUPA UV**  
Making tanks built to last

Rotathene® SUPA UV is at the forefront of UV protection technology. The UV stabilizer is evenly distributed through the Polymer and specified for tanks made in accordance with AS/NZS 4766:2006 standards.

Team Poly offer these smaller traditional round tanks suitable for larger house blocks.

Team Poly Round tanks range from 545L to 50,050L with our smaller tanks suitable for urban environments.

- 25 year pro rata warranty on all round tanks.\*
